

# Music

- Class music is taught through listening, composition and performance. A variety of styles are covered, for example, Classical, Indian, Blues, Pop, Folk and World Music
- These are taught through learning how to play many different instruments including percussion instruments and singing
- Individual pupils have a chance to learn an instrument taught by our peripatetic music staff. Piano, jazz piano, singing, violin, cello, flute, clarinet, saxophone, trumpet, trombone, guitar and drums are all taught at Belmont
- Pupils are entered for ABRSM, Trinity and Rock Schools Examinations
- There are many chances throughout the year to perform, whether in school at our annual production, summer concerts and Christmas service or in the local community
- The Music Department organise trips and the Invitation Choir have visited the O2 and joined 800 other Young Voices in an extravaganza of medleys. Epsom College Music Festival is a favourite too
- Belmont offers a variety of extra-curricular music groups including The Chamber Choir, The Rock Choir and The Belmont Orchestra
